## Executive Director

Throughout 2021 and 2022 as we continued to move through and respond to the COVID pandemic, we were incredibly grateful for the continued support of our donors and volunteers who keep us serving.

### **We have the power to do so much good, and together, we did.**

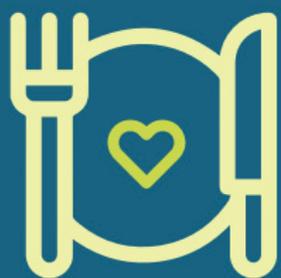

- Together, we continued to deliver nutritious food accompanied by friendly check-ins.
- Together, we continued to meet additional needs through delivery of shelf-stable food bags and liquid nutrition.
- Together, we were able to expand our services by offering pet food and supplies to care for our recipients' beloved companions and offer client services coordination to help connect recipients to additional services needed.
- Together, we were able to bring joy, nutrition, connection, and care.
- Together, we were able to deliver hope, build community, and save lives.

**Thank you for your generous support and care.**
